

# HEAVEN ON EARTH

Songs of Love, Light, Journeys and Angels for relaxation, reflection, meditation and illumination.

Featuring Tania de Jong AM (soprano) and Joe Chindamo (composer and pianist) plus guest artists including Zoe Black (violinist) and orchestra performing some of the greatest music and songs of all-time.

**HEAVEN ON EARTH** is a new recording bringing together the angelic voice of soprano Tania de Jong with the virtuosic genius of pianist, composer and arranger Joe Chindamo.

Repertoire includes reinventions of **Summertime**, **The Rose**, **Somewhere** from Westside Story and **La Vie en Rose** and innovative fusion adaptations of classic symphonies and concertos plus some originals.

The recording also features the work of **Beethoven, Mozart, Faure, Elgar and Dvorák**, though not always in the way you may expect.

The adaptations of these classic works are powerful reminders of the divine and timeless nature of some of these incredible works. With new lyrics and jazz, classic and contemporary improvisation the songs range from **Mozart's glorious Clarinet Concerto Adagio** to **Beethoven's 5<sup>th</sup> Piano Concerto** renamed **Infinity**, **Elgar's majestic Nimrod Variations** retitled **Light Eternal**, **Faure's haunting Pavane** as **Angel Song** and **Dvorak's New World Symphony** as the moving spiritual **Goin' Home**.
