Churchill Fellows National Convention Dinner

I write on behalf of the Churchill Fellows Association of Victoria (CFAV) and I would like to thank yourself and Jonathan Morton for your amazing presentation and performance at our dinner on Saturday night.

Our normal conservative Fellows were moved and inspired by your initial key note address and then truly entertained by your performance.

According to the feedback from our Fellows, it was the highlight of our weekend, to which I fully concur.

Yours sincerely,

Shane Ringin
President (CFAV)
